Lenten Learning Opportunity

Do you understand the meaning behind the parts of the Mass? In his video-based study *A Biblical Walk Through the Mass*, Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. In this study, you will come to know and understand the Mass as never before, leading you to a richer, more fruitful worship experience. This 5 week study is the perfect Lenten resolution! We hope you can join us. See the registration form in the back of church or in the office. All are welcome!

Please Give Us Your Input

Our parish wants to reach out to those members of families who do not attend Mass. Help us to know and understand the causes that have led to this disengagement. Please give us your input. Write us a email, letter, or note, put it in the collection basket. If you wish you do not have to put your name. Our hope is that we can learn from each other and that we can begin to address this together as a parish.

If you wish a copy of your 2016 contributions please call the Church Office at 845-1593.

Pope Francis

Praying always lifts us out of our worries and concerns. It makes us rise above everything that hurts, upsets or disappoints us, and helps to put ourselves in the place of others, in their shoes.
