**Update on Catholic Charities West Virginia's Long-Term Flood Recovery**

The June 22<sup>nd</sup> flooding in West Virginia is being called a 1,000 year flood. Recovery from the devastation is expected to take more than five years. Catholic Charities West Virginia's (CCWVa) Disaster Recovery Services focus on long-term recovery for individuals and communities, which typically starts 4-5 months after a disaster and can last for years. Catholic Charities has received over \$600,000 for the 2016 flood recovery effort. More than half of the funds came from the generous parishioners of the Diocese of Wheeling-Charleston through second collections at liturgies on July 2<sup>nd</sup> and 3<sup>rd</sup>. In the coming weeks and months, we will provide updates to how the money is being utilized.

Sliter added "We are committed to serving those affected by this tragedy for the long-term and ensuring people affected by the disaster return to a safe, secure, and stable living situation."

**Pope Francis @Pontifex**  
God love us as we are: no sin, fault or mistake can make Him change His mind.

**BAD MEMORY**

The recollection of an injury is . . . a rusty arrow and poison for the soul.
