Your donation works for aging religious. "I read that roughly 95 percent of donations to the Retirement Fund for Religious aid senior religious," a donor writes. "That's wonderful when we truly want our donations to work." Your gift works for elderly religious by helping to furnish medications, nursing care, and more. Please support next week's collection for the Retirement Fund for Religious, and give to those who have given a lifetime.

It has been the practice at St. Francis at Christmas for many years to give flowers to the shut-ins... a way to let them know that they are not forgotten and that we care... If anyone would like to give a monetary donation for this project, please put it in an envelope, marked:

"**Christmas Shut-in Project**" and drop it in the collection basket or leave it at the office. You can help make their Christmas a little brighter.... Thank you...
