Pope Francis @Pontifex
Let us ask our Lord to help us understand that love is service, love means taking care of others.

According to a report released in June 2018 by the Center for Migration Studies, the Catholic Church has resettled nearly one-third of all refugees received by the United States since 1980 through a public-private partnership with a high rate of successful integration of refugees into society.

Catholics in this country can rightly take pride in this great act of charity. “I was a stranger and you welcomed me.” (Mt 25)
