**Archdiocese for the Military Services**

With no military or government financial assistance, and collections not allowed in military chapels, the AMS must rely wholly on the generosity of the U.S. Catholic community to operate its many programs and services, which include support of Catholic Chaplains as well as maintaining Sacramental Records (baptisms, confirmations, marriages) for anyone receiving the Sacraments at a military installation. The AMS stores over 2.5 million records and receives over 10,000 requests for copies of records each year. This collection is taken once every three years. For more information, visit [Archdiocese for the Military Services website](#).
