**SECOND COLLECTION FOR THE DIOCESE
OF ST. THOMAS—US VIRGIN ISLANDS:**

OCT. 28/29

In response to the critical need of our brothers and sisters in Christ of the Diocese of St. Thomas—U.S. Virgin Islands following hurricanes Irma and Maria, Most Rev. Michael J. Bransfield, has asked for each parish in the diocese to conduct a special collection Oct. 28 and 29 to assist in the relief efforts.

The diocese was hit by two catastrophic hurricanes during September. All of the U.S. Virgin Islands felt the effects of both hurricanes—Hurricane Irma hit St. Thomas, St. John and Water Island while Hurricane Maria hit St. Croix. The area is still suffering from power outages and lack of communication as well as complete destruction in many areas. Please be generous.

Thank you so much for the check and for the prayers of support. This is such an awesome experience in D.C. WORLD MISSION SUNDAY 2017

CHAT with POPE FRANCIS

MISSIO.ORG FACT SHEET

The Catholic Church, through the Pontifical Mission Societies, supports a global network of people working on the frontline of service for the world's most vulnerable communities. Every year, though, the need outstrips our ability to help. Through MISSIO, projects that might otherwise remain un- or under-funded, can now be showcased via a digital platform, thereby expanding the network of potential supporters beyond the doors of a church, school or parish.

- Pope Francis launched the first version of the Pontifical Mission Societies' MISSIO as a mobile app in 2013, which offered news from the Mission Church.
- In 2015, during the Pope's visit to the United States, the Pontifical Mission Societies updated this app to allow users to connect directly with mission project leaders overseas.
- A web version of MISSIO – MISSIO.org – was launched on World Mission Sunday 2016.
- MISSIO.org is a crowdfunding platform. Crowdfunding is the practice of funding a project or venture by raising small amounts of money from a large number of people, via the Internet/social media.
- All MISSIO projects are affiliated with the local Church or with a local Religious institution (seminary, convent, school) in the Missions.
- Projects are vetted by the Pontifical Mission Societies in the United States and reviewed by the Ordinaries of those (arch)dioceses in which the projects are located.
- 100% of the funds donated to MISSIO go directly to projects/project leaders.
- Funding is transferred to project leaders via the Apostolic Nuncio of the country in which the project is located.
- MISSIO is a transparent, trusted and effective means of supporting mission projects overseas.
- Parish and school leaders in the United States can create or select projects to support in the Missions for annual sacrificial giving (such as Lent and Advent), secure in the knowledge that that funds will be directed to the Pope's own missions. Best of all, MISSIO builds community and fosters missionary discipleship by encouraging ongoing communication with mission project leaders.
- MISSIO is an ideal platform for parishes and (arch) dioceses engaged in twinning relationships. Specific projects can be posted on the platform to expand the potential network of supporters.
