**Support was provided by Catholic Charities West Virginia (CCWVa)** following the flooding in our south-eastern counties during June and July 2016.

A total of \$221,933.20 was spent on flood relief, both immediate and long term, in the affected counties. These monies came from the special diocesan collection benefitting flood relief and from external donations.

Moreover, the Diocese spent \$156,905.91 on specific projects within the affected area, including \$92,912.61 given to the Food Pantry at Holy Family Parish, Richwood .

There are still monies to be spent that were collected and earmarked for CCWVa. These dollars will be spent on long-term recovery, in some cases redoing work that was originally done before houses had been fully cleaned and dried. Flood recovery can take many years, as our people know all too well, and CCWVa will be there to help them.
